Shower and toilets are on your corridors

There is the opportunity to charge mobile phones and other devices in the common room and in the office.

We will provide bedding for you

Food

We will provide all meals, snacks and drinks through the week. There is a choice every day and you are guaranteed to be well fed. We can cater for all food intolerances – you just need to let us know

Footwear

Kilve Court is fairly flat and level, but it is mainly grass so will be affected by the weather; please think about this when deciding what to bring.

You will be stood up for long periods, will probably walk quite a distance without realising it! Sturdy, comfortable shoes or trainers will therefore be required during the day (walking boots are ideal if you have them).

You will be doing sports / adventurous activities, so casual / sports kit is ideal.

Flip flops/slippers are good for 'down time' and to wear indoors at the centre as outdoor shoes will get muddy!

What to consider bringing

We will be outside most of the day, whatever the weather, so clothing should be lightweight and covering if its sunny, waterproof if it's wet and warm if it's cold.

Kilve Court is a family venue so please don't bring items of clothing that are see-through or have offensive slogans.

Please avoid jeans, especially if wet weather is forecast.

You will be working on a centre development project during the week – so please wear clothes that can get dirty / get paint on them etc.

Money

We don't recommend carrying large amounts of cash and as you are going to be fed onsite- you shouldn't need any additional money. However, there is a local shop across the road – so if emergency snacks are needed – you can head there!

Activities

You will be involved in diy activities and also a number of different activities from mountain biking, archery, mountain boarding and abseiling. So, it will be an active and busy week for all involved – including our fantastic SSE Outdoors staff

Supervision

There will be SSE Outdoors staff onsite to support you 24/7. They are used to working with all age groups of visitors and are guaranteed to ensure that you have fun whilst onsite

What you will be doing

You will be involved in a centre development project during the week alongside this there will be activities and evening plans also – onsite and off. Please see the programme for a rough idea as to how the week will look
