Accommodation

You will stay indoors in our internal accommodation, sharing with others on the residential (age and genders will be split for safeguarding). With the lifting of restrictions, we can now have multiple people per room, but will still spread out where possible.

Shower and toilets are onsite

There is the opportunity to charge mobile phones and other devices on site – but you'll be too busy to worry about this!

We will provide bedding for you

Food

We will provide all meals, snacks and drinks through the week. There is a choice every day and you are guaranteed to be well fed. We can cater for all food intolerances – you just need to let us know

You don't need to bring additional food with you, although if you're a budding Star Baker and want to dazzle us with your brilliance, we won't say no!

Footwear

Kilve Court is fairly flat and level, but it is mainly grass so will be affected by the weather; please think about this when deciding what to bring.

You will be stood up for long periods, will probably walk quite a distance without realising it! Sturdy, comfortable shoes or trainers will therefore be required during the day (walking boots are ideal if you have them).

You will definitely be doing sports / adventurous activities, so casual / sports kit is ideal with trainers

Flip flops/slippers are good for 'down time' and to wear indoors at the centre as outdoor shoes will get muddy!

What to consider bringing

We will be outside most of the day, whatever the weather, so clothing should be lightweight and covering if its sunny, waterproof if it's wet and warm if it's cold. Keep an eye on the weather forecast!

Kilve Court is a family venue so please don't bring items of clothing that are see-through or have offensive slogans.

Please avoid jeans, especially if wet weather is forecast. Hopefully the sun will be shining but clothes for all eventualities are better – so layers are perfect

You will be working on a centre development project / or volunteering with the Quantock Rangers during the week – so please wear clothes that can get dirty etc. As we'd hate you to ruin a decent item of clothing! Hiking boots are ideal footwear for the volunteering activity and trainers around site.

We also have a lake onsite now – so could do some water-based activities like paddle boarding – please bring appropriate clothing for this, as you may get wet!!! If you have a wetsuit, feel free to bring it. Also, old shoes that can get wet for use on the lake.

Money

We don't recommend carrying large amounts of cash and as you are going to be fed onsite- you shouldn't need any additional money. However, there is a local shop across the road – so if emergency snacks are needed – you can head there!

Activities

You will be involved in diy activities and also a number of different activities from mountain biking, archery, mountain boarding and abseiling to paddle boarding and kayaking. So, it will be an active and busy week for all involved – including our fantastic SSE Outdoors staff

Supervision

There will be SSE Outdoors staff onsite to support you 24/7. They are used to working with all age groups of visitors and are guaranteed to ensure that you have fun whilst onsite

What you will be doing

You will be involved in a centre development project or volunteering with the Quantock Rangers during the week alongside this there will be activities and evening
