

Open Gold 2025 – Practice or Qualifier Only

Thank you for signing-up for our Gold Expeditions Package. We are delighted to give you the opportunity of completing this key section of the Award.

Payment / Terms and Conditions

The cost will be £210 per person and payable through the SSE Outdoors website [Home \(sseoutdoors.co.uk\)](https://sseoutdoors.co.uk)

Dates – we will run one expedition that can be used as a qualifier expedition or a practice – so you need to have done training at your DofE centre if just doing a practice on these dates.

If doing the qualifier, you need to have done a practice expedition, before coming to Kilve and we will need to know where.

We will also need your eDofE number for assessor reports

Qualifier Expedition –23rd – 27th July 2025

Please arrive at 2pm on 23rd July at Kilve TA5 1EA – to sort kit as needed and do route cards

Please collect at 5pm TBC on 27th July from Kilve TA5 1EA

Note - We will transport you to/from Dartmoor for your expedition. All Young people will do the same dates, regardless of Gold Practice or Gold Qualifier

Food and Drink - each student must

Provide own breakfast for **each full** day

Provide snacks and packed lunches for **each** day

Provide own evening meal for **each night**, This should be simple boil in the bag / pasta / rice type meals.

Water – each person must carry **1 ½ litres of water** – please bring own water bottles. These can be re filled at the campsite

School Staff / SSE Staff Levels

SSE Outdoors will provide supervisors for the duration of the expedition

SSE Outdoors will provide an assessor for the qualifying expedition who will do all assessor reports for the group

Transport

Participants to make their own way to Kilve and be collected from Kilve.

SSE Outdoors will take the young people to Dartmoor for their qualifier and be responsible for transport to and from Kilve for this.

Young people to confirm pick up time with parents on the last day.

Kit

Please see kit list for more information on what to bring / wear / carry for the expeditions. If you have any questions, please ask.

Any personal equipment in yellow needed – can be organised on arrival

All group kit in green – will be provided by SSE Outdoors

Additional points

SSE Outdoors reserve the right to cancel the expedition due to Weather or other major concerns. We will do this 48 hours before the event. We will then look to re book at a time that suits the group in the future.

SSE may decide to use technology as an integral part of the expedition for navigation, safety, recording the event as they see fit. This may include allowing students to utilise helpful aspects of mobile phones but will not take away from the need for good solid navigation.

Presentation

Please submit a ppt / video to DofE@somerset.gov.uk – within two weeks of the qualifier expedition – or deliver a group presentation on the day to your assessor. This element can then be added to eDofE. This is crucial for Gold and needed before you are signed off

We aren't planning a wild camp this year on the gold expedition P or Q – as this is no longer a requirement at Gold [FAQs for the Expedition Section - The Duke of Edinburgh's Award \(dofe.org\)](https://www.dofe.org/FAQs-for-the-Expedition-Section-The-Duke-of-Edinburghs-Award), therefore water purification tablets and a spade aren't needed. Having seen a wildfire one year in the height of summer, we have chosen to stick to campsites, to ensure that all participants are kept safe, but our staff will be camping away from the group – so they get the independence required.

Questions

We are here to help and support before, during and after the practice and expedition weekends. If you have any questions, please contact us as below

To successfully 'pass' your expedition requirements are as per the link. SSE Outdoor staff will ensure that you understand these on the practice expedition, so that you understand what the assessor will be assessing on the qualifier weekend.
