Full payment is due at the time of booking to secure a place on the residential. Places are booked and paid for through the SSE Outdoors website [Holiday Camps \(sseoutdoors.co.uk\)](https://www.sseoutdoors.co.uk)

Transport

Anyone wishing to come by train – we will provide pick up at Yatton Station at 11.30am on 27th October. And a return to Yatton station by 3.30pm on 31st October.

Accommodation

You will stay indoors in our internal accommodation, sharing with others on the residential (age and genders will be split for safeguarding). The accommodation will be just use for the residential, and there are areas to chill and relax, anyone needing to study of an evening, will have time and space for this whilst onsite

Shower and toilets are onsite

There is the opportunity to charge mobile phones and other devices on site – but you'll be too busy to worry about this!

We will provide bedding for you

Food

We will provide all meals, snacks and drinks through the week. There is a choice every day and you are guaranteed to be well fed. We can cater for all food intolerances – you just need to let us know. We are a nut free site.

You don't need to bring additional food with you, although if you're a budding Star Baker and want to dazzle us with your brilliance, we won't say no!

Footwear

Charterhouse is fairly flat and level, but it is mainly grass so will be affected by the weather; please think about this when deciding what to bring.

You will be stood up for long periods, will probably walk quite a distance without realising it! Sturdy, comfortable shoes or trainers will therefore be required during the day (walking boots are ideal if you have them).

You will definitely be doing sports / adventurous activities, so casual / sports kit is ideal with trainers, walking boots and wellies for caving!

Flip flops/slippers are good for 'down time' and to wear indoors at the centre as outdoor shoes will get muddy!

What to consider bringing

We will be outside most of the day, whatever the weather, so clothing should be lightweight and covering if it's sunny, waterproof if it's wet and warm if it's cold. Keep an eye on the weather forecast!

Charterhouse is a family venue so please don't bring items of clothing that are see-through or have offensive slogans, just in case they have visitors.

Please avoid jeans, especially if wet weather is forecast. Hopefully the sun will be shining but clothes for all eventualities are better – so layers are perfect

We will do some water-based activities– please bring appropriate clothing for this, as you may get wet!!! If you have a wetsuit, feel free to bring it, but don't worry if not. Also, old shoes that can get wet are also ideal.

Money

We don't recommend carrying large amounts of cash and as you are going to be fed onsite- you shouldn't need any additional money, but we may have a trip to Wells...

Activities

You will be involved in a number of different adventurous activities from climbing to abseiling and gorge walking to caving and boating in Bristol Harbor. So, it will be an active and busy week for all involved – including our fantastic SSE Outdoors staff

Supervision

There will be SSE Outdoors staff onsite to support you 24/7. They are used to working with all age groups of visitors and are guaranteed to ensure that you have fun whilst onsite

What you will be doing

You will be doing adventurous activities on and off site through the week – please see the draft plan for an idea as to how the day will look. It is very flexible, and we can amend due to weather conditions. There will also be evening activities each night from campfire to night walk and games nights.
