Additional points

SSE Outdoors reserve the right to cancel the expedition due to low numbers – less than one group! We will do this 48 hours before the event. We will then look to re book at a time that suits the group in the future.

SSE Outdoors will ask you to put mobile phones in sealed bags for the duration of the expedition, to ensure that they aren't used for navigation. So, if you wish to take pictures bring a standard camera. Mobile phones will be available for emergency contact only. Please do not carry additional battery packs or portable speakers

Day one will be at Kilve and Night one – other nights will be on Exmoor – SSE Outdoors will do the transport to Exmoor and get you back to Kilve for pick up

These routes are around 15km per day, over challenging terrain. So please think about this and personal fitness levels, before you arrive.

If you haven't done a previous level – please let us know

Please ensure your rucksack has space for tent and Trangia (parts of) on arrival – as group kit will be shared between you
